

LIFE

Sentence Will Be Imposed Upon Charles Suttles

Who Was Found Guilty By The Jury

On Charge Of Ravishing A Young Girl

The Jury Was Out But Little Over An Hour

Other Notes Of Interest From The Court House

A life sentence in the Ohio penitentiary will be the sentence imposed upon Charles Suttles, found guilty by the jury on Tuesday evening on a charge of ravishing a girl under the age of 12 years—the penalty for which crime, by a law passed last winter, is a life sentence in the penitentiary.

Suttles' trial consumed two days and it was 5 o'clock Tuesday evening when the case went to the jury. After a deliberation lasting one hour and fifteen minutes the jury returned a sealed verdict as Judge Seward had returned to Newark on the evening train. Wednesday morning at 9 o'clock the verdict was read in court by Deputy Clerk of Courts Charles W. Hayes.

It is understood that the jury was unanimous in its verdict of guilty on the first count of the indictment—that of ravishing a girl under 12 years of age.

Suttles will probably not be sentenced by Judge Seward until after the expiration of three days, during which time the defendant may file a motion for a new trial.

Bartlett On Trial

Howard Bartlett, charged with non-support, had his trial in the court of common pleas Wednesday. The defendant was represented by George Coyner and Prosecuting Attorney Schaeffer for the prosecution. Bartlett's wife was the first witness to take the stand and considerable difficulty was experienced by the attorneys in examining this witness on account of her deafness. It was necessary to write each question on paper so that the witness could read it before answering the question.

The Beeman Case Next

At the conclusion of the Bartlett case, Samuel R. Beeman, charged with burglary, will be placed on trial. William H. Thompson and J. B. Graham represent the defendant.

The Wilcox Case

The case of the State of Ohio vs. Wilcox in which the defendant is charged with incest will be tried Thursday. Columbus Ewalt and Judge C. E. Critchfield represent the defendant.

Inventory and Appraisal

In the matter of the estate of Abram L. Douglas, an inventory and appraisal has been filed in probate, showing the following: Personal property \$79, moneys \$455.40, securities \$546.62. Total \$1,071.02.

An Injunction Case

The Cleveland, Akron and Columbus railway company has commenced an injunction suit in the court of common pleas against Milan Irvine for

the purpose of enjoining him from trespassing on the platform and grounds of the railway company in this city. The plaintiff states that the defendant has been visiting the station of the company in Mt. Vernon and has been soliciting passengers for a certain rooming house in which the defendant is interested. A temporary restraining order was allowed by Judge Seward of the common pleas court. Waigert & Moore are the attorneys for the plaintiff.

HOW MEN WIN

Success in business—by the ad writer of the Buckeye State Building and Loan Company, Rankin building, 22 West Gay street, Columbus, Ohio.

2. Not only by industry and economy as heretofore explained, but by a study of their business. Many men fail because they do not study the work in which they are engaged. They do not think hard enough or long enough to find out how improvements can be made so as to make their business more attractive and profitable. The officers of the Buckeye study how to make its management economical. Its assets \$4,300,000. Five per cent paid on time deposits.

SULLIVAN

Is Given A Boom For United States Senator

Hon. J. J. Sullivan, formerly state senator from this district, but for many years a resident of Cleveland, has been mentioned as a suitable person for United States senator. The following regarding Col. Sullivan is from the Cleveland Plain Dealer:

"Friends of Col. J. J. Sullivan, Cleveland banker, started a senatorial boom in his behalf yesterday. They say that his experiences in commercial and banking business and his wide acquaintance and popularity throughout the state would make him a formidable candidate. When asked to declare himself on the question yesterday the colonel smiled and replied that a number had spoken to him about the senatorship, but that he was too busy to consider it.

Not only has Colonel Sullivan had much banking experience in Cleveland, where he is at the head of the Central National bank and the Superior Savings & Trust Co., but he was in the mercantile business at Millersburg for a number of years. He served two terms as state senator from that district and was national bank examiner for four years. He was an officer of the Third Ohio battery during the civil war."

A sprained ankle will usually disable the injured person for three or four weeks. This is due to lack of proper treatment. When Chamberlain's Liniment is applied a cure may be effected in three or four days. This liniment is one of the best and most remarkable preparations in use. Sold by all dealers.

BANQUET

Of The Adelphian Bible Class A Pleasant Event

And Attended By Nearly Two Hundred Persons

Mr. C. W. McKee Was Toastmaster Of The Evening

And A Program Of Fine Toasts Carried Out

A Letter Read From The Rev. L. O. Newcomer

The annual banquet of the Adelphian bible class of this city was held at the K. of P. armory on Tuesday evening. The success of the event was even beyond the expectation of the committee, which had the banquet in charge, and the evening most thoroughly enjoyed by every man, young or old, present.

Before seven o'clock, the time set for the banquet, the members of the class began to fill the reception rooms of the armory and it was good to see and realize the sincere feeling and good fellowship which prevailed among the gathering of men, some of whom came a considerable distance and overcame a number of difficulties in order not to miss that great event of the year for the Adelphian class.

At about eight o'clock, a summons to the banquet table was issued and after every one was seated, thanks were returned to God for the bounteous feast which had been prepared, and all partook of the delicious supper spread on the tables before them. About 160 were seated at the tables which were very prettily decorated with red, white and blue candles and an array of green ferns. The number seated about the tables composed about four-fifths of the entire class, which is not quite so large as at one time, but none the less progressive and active. The banquet room was decorated with red, white and blue streamers, which were strung at various angles across the ceiling, making the entire color scheme exceedingly pretty and cheerful. The music was furnished throughout the evening by the ten-piece class orchestra, which rendered a number of fine selections with great credit.

At the conclusion of the four-course banquet, Mr. C. W. McKee, acting as toastmaster, delivered a short address, after which he introduced Mr. P. A. Berry, who gave the first talk to the class. Rev. W. A. Clemmer, of the Presbyterian church, came second and stated that he was exceedingly pleased at the opportunity to be present during the evening and said that the success of the Adelphian class gave him encouragement and proved to him that he could build up a like class with less effort than he had before anticipated.

Rev. A. B. Williams next addressed the gathering and in a few minutes gave a very interesting talk, expressing his regrets that he had been unable to be with the class regularly but stated that his work would permit him to be present at the meetings now with more regularity.

Hon. L. B. Houck was next on the program and in an eloquent address made plain to the class, the good work that has been done and talked on the development of the organization and its members.

Mr. Campbell Wood, after a short address, read a letter from Rev. L. O. Newcomer, former pastor of the Christian church, now of Huntsville, Indiana, in which Mr. Newcomer expressed his sincere regrets at not being able to be with the class on the occasion of the second annual banquet but sent his blessing and best wishes to the class for its advancement and success at all times to come.

Mr. Edward Lawman, in a few well chosen words, addressed the gathering in a very interesting manner and told of his intentions to become an earnest worker in the class from this time on and take up active Sunday school work again after a rest of a few years. Mr. Lawman also related a number of witty stories, which were a source of a great deal of merriment.

Mr. Frank Culp of Butler, Ohio, was present at the banquet and was asked to give a short talk. Mr. Culp expressed his pleasure at being present at the event and gave a brief outline of the methods taken by himself in teaching his Sunday school class in his own village. He also stated that the parent made a great

mistake when he or she sent the son or daughter to Sunday school but the proper thing to do is to go along and be the cause of the child remaining at the after services.

Dr. David Francis concluded the program with an address, which was no doubt of great benefit to all who heard it. His talk was both witty and serious. A number of funny stories were told, after which serious and helpful thoughts were borne upon. Rev. Francis is a fine speaker and his well chosen words on the occasion of the class banquet, carried with them force and convincing power which was felt by all.

After the finish of the program, all present left for their homes discussing the pleasures experienced during the evening and the grand success of the banquet.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

FINGER

Nearly Severed When The Saw Slipped

Master William Shutt of this city met with a very painful injury on Tuesday morning while engaged in manual training work at the Union school building. He was working with a thin saw and was sawing a piece of wood when the blade slipped through the wood and struck his index finger on the life hand. The end of the finger was almost severed by the rough edge of the saw. Dr. James F. Lee was called to dress the wound.

The United States Government in its "Pure Food Law" does not "endorse" or "guarantee" any preparation, as some manufacturers in their advertisements would make it appear. In the case of medicines the law provides that certain drugs shall be mentioned on the labels, if they are ingredients of the preparation. Ely's Cream Balm, the well-known family remedy for cold in the head, hay fever and nasal catarrh, doesn't contain a single injurious drug, so the makers simply have to print the fact that it complies fully with all the requirements of the law.

Club Notes

Sorosis met with Mrs. Sample, East High street, Tuesday afternoon. At roll call the members responded to the things they had to be thankful for during the entire year.

The following papers were read: Ohio State Government—Legislative, Executive and Judicial—Mrs. Scott.

Our Banking System—Mrs. O. C. Chase.

Both papers were well received and thoroughly discussed.

The next meeting will be with Miss Irvine, East Gambler street.

Engagement Announced

Miss Kathleen Koons entertained Tuesday afternoon at her home on East High street, with a whist party, eight tables being played. About fifty young ladies were present. The prize for the highest number of games was awarded to Mrs. Robert Owen.

After refreshments were served, the young hostess Miss Kathleen Koons, in a rather unique manner (by "letting the cat out of the bag") announced her engagement to Mr. Clinton N. Williams of this city. The cat, which was of a very obliging and amiable disposition, wore a white satin collar, adorned with numerous shipping tags, which were distributed to the guests. Each tag bore tiny photographs of the young couple, with shipping directions to "Forward to Niagara Falls, Windsor, Canada," or some other point of interest to those in search of a honeymoon. The card tables were appropriately hearts and slippers.

Mrs. T. B. Cotton arrived home Tuesday after a visit with relatives in Columbus.

RHEUMATISM
WEAK KIDNEYS & THIN BLOOD

Not only is the blood the great nourishing source of our systems, but equally as important is its work of removing the waste of oxidized tissues which have been consumed in force and bodily heat. This waste is filtered out through the kidneys. When, however, the kidneys become weak and unable to perform their regular duties, the waste is allowed to remain in the circulation, soon forming uric acid which destroys the greater portion of nourishing elements of the blood and leave it weak and acid. This imperfect blood deposits into the different muscles and joints the uric impurity with which it is contaminated. Then the pains and aches of Rheumatism commence. The gritty formation which uric acid causes collects in the joints and produces the aches and stiffness which always accompany the disease. Likewise the muscles are coated and lose their elasticity, while the continual irritation to the nerves produces swelling and inflammation of the flesh.

SSS

are enabled to properly filter out the waste. S. S. S. is not only the best of blood purifiers, but a fine tonic. Book on Rheumatism free to all who write. THE SWIFT SPECIFIC CO., Atlanta, Ga.

CONFIDENTIAL RELATIONS

In the very nature of things, the relation between a bank and its customers must be confidential. Some people fear that by carrying a checking account their affairs will become known to their neighbors and friends, and they thus deprive themselves of the many advantages of a bank account.

This is a groundless fear, for in this Bank the business and transactions of our customers are always treated as strictly confidential.
